

Earth Day 2023

Booth & Space Registration

Dear Friend of the Earth,

Please join us for the 51st Greater Cincinnati Earth Day Celebration at **Summit Park in Blue Ash** on **Saturday, April 22nd, from Noon to 5:00 p.m.** Our theme, **The 7 R's of Sustainability**, will actively involve environmental groups, government agencies, businesses and citizens of all ages in demonstrating their contributions to the beauty and quality of life through their positive actions.

This Earth Day event provides a wonderful opportunity for a day of environmental education for the public. In addition to exhibits and entertainment, we suggest including hands-on interactive projects at your exhibit space. **To get the latest Cincinnati Earth Day news updates follow us on twitter @Cincyearthday and "like" us on Facebook or Instagram at Greater Cincinnati Earth Coalition.**

We encourage participation from crafters with “down to earth” arts and crafts and “earth friendly” products made from natural or recycled materials. We are also recruiting “environmentally sensitive or natural” food vendors. Please share this information with or provide us with contact information for any vendors in the Greater Cincinnati and N. Kentucky area, who may be interested in being a vendor.

- ❖ Are you interested in being an exhibitor or merchandise (non-food) vendor? Please complete and mail page 2 to the address located on the form.
- ❖ Are you interested in becoming an event sponsor, or food vendor? Contact **Chuck Lohre** at 513-260-9025 (info@cincinnatiearthday.org) we will work with you to accommodate your needs.

Logistical information for the event will be sent to exhibitors/vendors in late March.

If you are interested in becoming a Greater Cincinnati Earth Coalition (GCEC) member, or renewing your membership and wish to exhibit at this event, please complete the enclosed registration form and mail it along with your exhibitor fee to 535 Windings Court, Cincinnati OH 45220 by March 28, 2023.
